Individual employees or groups of employees who instigate, aid or engage in a work stoppage, slowdown or strike may be disciplined up to and including discharge at the sole discretion of the Employer. The Employer will not lock out employees during the period of this Agreement.

Section 2. This Agreement embodies all the obligations between the parties evolving from the collective bargaining process and supersedes all prior relationships and/or past practices.

Section 3. The parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the Employer and the Union, for the life of this Agreement, each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated, to bargain collectively with respect to any subject or matter.

Section 5. Union Dues, Representation Fees.

- A. The Employer, as provided hereunder, agrees to deduct Union dues from those electing to join the union to become effective the first payday of the month, following the employee's successful completion of six (6) calendar months of employment or from the date they join the union whichever is later. ARTICLE 7 **GRIEVANCE PROCEDURE**

Section 1. Definition of Grievance. The term "grievance" as used in this Agreement is defined as a claim of a violation of this Agreement. Any grievance filed shall refer to the specific provision(s) alleged to have been violated and shall adequately set forth the facts pertaining to the alleged violation. All grievances shall be commenced within five (5) calendar days after the occurrence of the circumstances giving rise to the grievance, or five (5) calendar days from the date when the employee should reasonably have been known of the occurrence. Any claims not conforming to the provision of this definition shall be automatically defined as not constituting a valid grievance.

Section 2. Time Limitation. The time limits set forth in the grievance procedure shall be followed by the parties. If the time procedure is not followed by the Union, the grievance shall be considered settled on the basis of the Employer's last disposition. If the time procedure is not followed by the Employer, the grievance shall automatically advance to the next step, excluding arbitration. - C. The Department Head or their representative shall have five (5) calendar days to answer. The Department Head or their representative does not have the authority to provide to any employee economic benefits which exceed those provided under this contract. The decision of the Department Head or their representative shall not act as precedent.
- D. **(Step 2)**. Failing to resolve the grievance in step one, the Union may, within five (5) working days of receipt of the department head's disposition, present the grievance to the County Executive or his designated representative who shall within five (5) working days of receipt of the grievance, return his or her answer in writing.

F. **(Step 4) Arbitration.**

- 1. In accordance with the procedures of FMCS, the Union or Employer may file a demand for arbitration specified above within ten (10) calendar days after receiving the Mediator's suggestion in Step 3.
- 2. The arbitrator's powers shall be limited to the application and interpretation of this Agreement as written. The arbitrator shall at all times be governed wholly by the terms of this Agreement and shall have no power or authority to amend, alter or modify this Agreement in any respect. If the issue of arbitrability is raised, the arbitrator shall only determine the merits of the grievance if arbitrability is affirmatively decided. The arbitrator shall give full recognition to the doctrine of reserved or residual rights and the Employer's exercise of any of its rights not limited by the express provisions of this Agreement. By accepting a case from the parties, the arbitrator

acknowledges its limitations of authority, and agrees not to decide an issue which is outside of its jurisdiction under this Agreement. Any award of the arbitrator for a continuing violation of this Agreement shall not be retroactive prior to the time the grievance was first submitted in writing.

3. The arbitrator's decision shall be final and binding on the Employer, Union and employees, provided, however, that this shall not prohibit a challenge to the arbitration decision in a court of competent jurisdiction, if it is alleged that the arbitrator has exceeded its jurisdiction, or that such decision was obtained through fraud or other unlawful action.

Section 4. Election of Remedies. When remedies are available for any complaint and/or grievance of an employee through any administrative or statutory scheme or procedure, which by operation of law the employee is entitled to, such as, but not limited to, a veteran's preference hearing, civil rights hearing, or Department of Labor hearing, in addition to the grievance procedure provided under this contract, and the employee elects to utilize the statutory or administrative remedy, the Union and the affected employee shall not process the complaint through any grievance procedure provided for in this contract. If an employee elects to use the grievance procedure provided for in this contract and, subsequently, elects to utilize the statutory or administrative remedies, then the grievance shall be deemed to have been withdrawn and the grievance procedure provided for hereunder shall not be applicable and any relief granted shall be forfeited.

ARTICLE 8

PROBATIONARY PERIOD

All employees shall be considered probationary employees until the first of the month following eight (8) full calendar months of employment. The probationary period shall be extended by each month that an employee does not work during a calendar month. The Department Head or his/her designee has the right to extend the probationary period of an employee up to an additional thirty (30) days upon agreement with the Union representative prior to the extension of the probationary period. During the probationary period, and any extensions thereof, the employee may be terminated without recourse to or without regard to this Agreement, and shall not be entitled to the benefits of the grievance procedure as it relates to discipline and/or discharge. The probationary employee can be terminated for any reason or for no reason. Upon completion of the probationary period, the employee's name shall be placed on the seniority list as of his/her last date of hire. The above stated probationary period does not apply to any current employee who has completed their probationary period and is awarded a job pursuant to Article 12 - Job Postings and Job Award, or if an employee has already worked six (6) months or more in the full-time unit. the afternoon. However, breaks require the approval of an employee's supervisor. In the event that the employee does not or cannot take a break, the breaks do not accumulate.

Section 3. Daylight Saving Time. For employees working the second and third shifts in continuous operation assignments, it will be understood that when the time is changed from Eastern Standard Time to Daylight Saving Time and back, one shift will work nine (9) hours and one shift shall work seven (7) hours. It is agreed that each shift shall be paid in accordance with the provisions of the Fair Labor Standards Act.

ARTICLE 20 **BENEFITS**

- A. The Employer agrees to pay mileage to all County employees who are required to use their personal vehicle for and while on County business.
- B. The mileage allowance shall be adjusted to the Internal Revenue Service allowable deduction rate effective on the date any such change is officially announced by the I.R.S.
- C. The County may require proof of insurance for employees required to use their personal vehicle on County business.

Section 2. U.S. Savings Bonds. The County shall provide for payroll deduction for the purchase of U.S. Savings Bonds and shall provide the necessary forms.

Upon separation of employment, the employee shall return the lab coats to the Employer.

The Employer shall also provide two (2) raincoats per vehicles for use by drivers employed with the Department of Aging.

Section 4. Holiday Pay. Effective January 1, 1999, employees shall be provided holiday pay, minus any shift premiums or differentials, provided they worked five hundred and twenty (520) or more hours during the previous W-2 calendar year. The hours paid for a holiday are determined by dividing the hours paid (excluding Workers' Compensation) the previous W-2 calendar year by fifty-two (52), and then dividing by 4.5. For example, an employee who has been paid for seven hundred (700) hours (excluding Workers' Compensation) during the

previous W-2 calendar year would receive 3 hours of holiday pay per recognized holiday (noted below) in the current year ($700 \div 52 \div 4.5 = 2.99$). Employees need not be regularly scheduled to work on a holiday in order to receive holiday pay.

Employees who work on the day a holiday is observed shall be paid their straight-time hourly rate for hours worked in addition to holiday pay. Holidays that fall on Saturday shall be observed on Friday, and holidays that fall on Sunday shall be observed on Monday. The following holidays only are recognized:

New Year's Day (beginning 2004)
Martin Luther King Day (beginning 2012)
President's Day (beginning 2012)
Good Friday (beginning 2012)

Christmas Day (beginning 2003)
New Year's Eve Day (beginning 2003)

Section 5. Out of Classification Pay.

Effective after this agreement is signed in 2003, when an employee has been notified by his or her immediate supervisor to fill a vacancy in a higher level job for the period of fifteen (15) consecutive hours within a seven (7) calendar day period, he or she shall be compensated for such hours worked at the rate of the entry step for that job or if this rate is not equal to an increase in rate for the involved employee, the compensation shall be at least a 5% wage increase or the lowest pay grade range for the job which does provide an increase in pay to the employee whichever is greater. This agreement is subject to the following conditions:

- A. In the opinion of the immediate supervisor, the employee is fully qualified to perform the duties of that position.
- B. A vacancy shall mean the replacing of a regular employee who is off work for illness, vacation or other compelling reason.
- C. If, in the opinion of the employer, it is not necessary to fill such vacancy, it need not be filled. In this case, no remaining employee shall be required to perform work above his/her classification in order to compensate for the absent employee.

Section 6. Life Insurance.

Effective the first of the month within sixty (60) days after the contract is executed by the parties in 2001 and after an employee is employed for one (1) year, the County will provide Five Thousand Dollars (\$5,000) Group Term Life Insurance coverage to each employee.

Section 2. The above health benefits shall be provided through the Bay County Health Department and arrangements must be made by the employee at the convenience of his or her department and the Health Department during the employee's non-work hours.

ARTICLE 22
RETIREMENT/PENSION

The Employer shall continue the retirement program in effect for eligible employees in the bargaining unit.

Any employee hired after January 1, 1991, shall receive no "refund" contributions made by the Employer on the employee's behalf to the Bay County Employee's Retirement System if that employee leaves the employ of the county for any reason prior to Bay County Retirement System vesting. Effective January 1, 2012, for members of this unit on or after January 1, 2012, said Ordinance will provide for a benefit formula based on 1.6% percent of the employees' average annual income based on his or her best five years earnings times the number of years and who have attained 62 years if age, and who have worked a minimum of 1,000 hours.

For members of this unit, said ordinance provides for full retirement for members who have thirty (30) years of credited service and who have obtained fifty-five (55) years of age, except that, for those employees hired on or after January 1, 2012, they may retire after completing the 10-year vesting period and upon reaching age 62. Retirement for those employees shall also be capped at 75% of the average of the employee's five best years, but only achieved through years of service times the 1.6 multiplier.

ARTICLE 23

ARTICLE 25
WAGES

The wage rates are attached hereto, labeled Attachment B, and are incorporated into this contract.

In each of the three years of the contract, employees shall receive a sum equal to 1% of the prior years' wages to be paid in their regular check no later than the end of the third quarter. If the employee elects, he or she may have that sum converted to equivalent "Personal Day" hours

For example, during 2011, an employee earned \$25,000. The employee would receive \$250 ($\$25,000 \times .01$) no later than the end of the third quarter of 2012. If the employee elects, he or she could convert that sum to equivalent personal day hours by dividing the sum to be received by the current rate of pay.

The employee could make a different election in each of the three years of the agreement.

IT IS AGREED as follows:

LOCAL NO. 15157, (PART-TIME) COUNTY UNIT

This letter of understanding is by and between the Bay County Board of Commissioners, County Executive and County Sheriff (hereinafter collectively referred to as "Employer"), and the United Steelworkers (USW) on behalf of Bay County Local 15157, Bay County Part-Time Unit (hereinafter collectively referred to as "Union".)

RE: Flexible Spending Plan

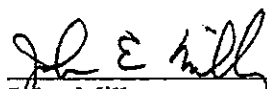

It is agreed that the Employer may offer to employees in the collective bargaining unit a voluntary, flexible spending plan for unreimbursed medical expenses (up to \$5,000 per year per employee) beginning on September 1, 1999, provided that all authorized Union officials sign this letter of understanding prior to July 1, 1999, and provided the plan remains permitted by applicable law. The company administering the plan will charge participating employees fees to be determined by the company, and such fees shall be paid through payroll deduction. It is acknowledged that the Employer and participating employees face certain financial risks by participating in this plan. During the course of discussions during negotiations last year, the Union expressed an interest in having the option of its members voluntarily, and at actual cost, participate in the Wellness Center currently offered to full-time employees.

As the Wellness Center began operations in 2014, there is no current baseline cost associated with its operation. Bay County's Finance Department will be able to summarize those costs for 2014 after the books are closed at the end of the calendar year 2014. Normally, the process of collecting all costs associated with the previous year is completed by about May of the following year.

Accordingly, in June 2015, the employer will meet with the union and review the costs associated for employees and their dependents to explore whether it is feasible to continue to plan toward offering the Wellness Center services to part-time employees.

There are several components that comprise the cost, and many are variable, depending on usage:

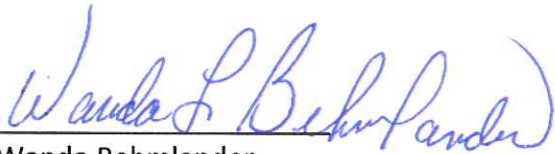

1. Fixed administrative costs
2. Variable costs based on usage
3. Prescription costs, variable based on usage
4. Indirect costs, associated with Bay County's costs to administer the program

After the parties convene in July 2015, and if both agree that pursuing this further is in everyone's best interest, there are certain ground rules that must be adhered to:

1. The commitment on behalf of employees is for twelve months, based on a plan year (calendar year).
2. This plan does not satisfy the requirements of a health care plan, under the provisions of the ACA.
3. Employees would pay actual cost per year, by payroll deduction, according to Finance Department's cost analysis.

4. The provisions governing Wellness Center would be the same for part-time employees as for full time employees. i.e., free office visits and free generic medications.
5. Participation would be voluntary, but decision to participate must be made during the regular enrollment period each fall.
6. If enacted, this plan would be for a one year period, 2016.
7. No provision of this document is subject to the grievance procedure.

Please review this with your bargaining committee, and sign and return to me if you are in agreement with its provisions.
